

# Our Clients Say

We had our bridal shower, rehearsal dinner, and wedding here and all of them were absolutely stunning!! A beautiful atmosphere, all of our guests had nothing but great things to say about the place. The staff are very helpful and easy to work with, they helped every step of the way! We couldn't have asked for a better venue and people to make our wedding so special. We're forever grateful for you and the place you have built.

The Jefferson is spacious enough for larger gatherings, but not so large that a smaller gathering (we had 40 people) felt lost in the space. The lounge area in the front of the space is a great touch that allows for more intimate conversation and a quiet away from the rest of the gathering.
