

Our Clients Say

"The Jefferson was the perfect venue for our NYE event. The atmosphere of the venue was classy and you can't beat the location for our area. We couldn't be happier with our experience."

-Jordan and Ashlee

The Jefferson is spacious enough for larger gatherings, but not so large that a smaller gathering (we had 40 people) felt lost in the space. The lounge area in the front of the space is a great touch that allows for more intimate conversation and a quiet away from the rest of the gathering.
